...May the Lord continue to bless your ministry! I don't know of too many resources more valuable than the writings of those whom the Lord raised up to establish this remnant movement!	Columbus, OH, USA	1 Sep 1999	1358
You are doing a mighty work for the Lord! No doubt about it He is guiding you.	Australia	10 Sep 1999	1864
We greatly appreciate the work you are doing in making such vital resources available to the Adventist public....	Lavoy, AB, Canada	5 Oct 1999	874
I appreciate that you're reprinting ... church pioneer writings.	Deer Lodge, MT, USA	24 Mar 2000	291
I've recently read your Newsletter, April 2000. You are really making a very good and much appreciated contribution and service for our church.... Please, I want more information about your project. Thank you. May our Lord richly bless you.	Argentina	22 Jun 2000	2013
Thanks for the work that you have undertaken which should of infinite reward to both you and the readers.	Nairobi, Kenya	17 Jul 2001	2142
Praise God! This is a great work that you are doing. So many baptisms, and the people are clueless about the history of our movement, our rich heritage and the guidance of God from the outset. Most ministers are not teaching it. We are moving away from the old landmarks and losing our identity as a people. God bless you!	Brooklyn, NY, USA	19 Jan 2002	2204

I joined the church Dec. 08, 2001. As a very new member and avid historian I feel your site and information should be studied by more church members. I will be ordering your CD-ROM as soon as I can afford to do so. Thanks for providing such needed information on our church, lest we forget that what we are is because of what we were.	Princess Anne, MD, USA	5 Feb 2002	2219
I thank the Lord our God for your inspiring messages. What you are doing is a very great task which requires earnest prayers from all God fearing people. May God continue to guide and continue blessing you so that through your works many may be saved.	Zambia	21 Mar 2002	2225

What a thrill to find you!!! I am a youth leader for an SDA church in Miami, Fl. We are engaged in planning a special program for October 22 <sup>nd</sup> ., imagine then how helpful this site has been!! May God bless you while you continue preserving and sharing our tremendous heritage with others. I pray that we never forget where we come from so we never lose the path that lead us where we're going to.	Miami, FL, USA	13 Oct 1999	--
Each time we go to your web site, we feel blessed indeed. Thanks for your work of love. We learn how to love and respect our pioneers, and to be thankful and praise the Lord for such amazing love and kindness toward us.	Spain	1 Oct 1999	--
I just found your web site and browsed through some of it. Thanks so much...I plan to spend many hours here as I reweiw our past history. May the Lord bless you all in a special way!	Internet AOL	23 Nov 1999	--
I am currently working on a web page for Richland SDA in PA. I would like to link to your page. Thanks.	Richland, PA, USA	21 Feb 2000	--
My heart is too full - but I simply thank you for this resource that continues to reaffirm my recent commitment to go deeper and deeper into God and His mission for our lives as his people. It confirms the urgency and readiness of God to meet us at the moment we become ready in the soon-ending work of salvation.	Landover, MD, USA	9 Apr 2000	1935
Praise the Lord for getting me to this site. Please send me all that you can on the pioneers!!	Bethlehem, GA, USA	23 Jul 2000	1948
I really appreciate your website on the SDA pioneers.... The material and service you present here is invaluable.	Huntsville, AL, USA	21 Aug 2001	2158
I would just like to say that I have just briefly scanned the web site and it is definitely a God-send. This is what I have been looking for (a while now), the history, the truth, the information that we as the last (remnant church) need for this PARTICULAR time. To inform the sincere inquiring ones that this MOVEMENT WAS IN FACT A MOVEMENT based on biblical prophesy (DAN 8:12-14)....	London UK	17 Dec 2002	2268
Just a thank you for providing the short bios on Adventist Pioneers. We are thankful for this resource for our Pathfinder club.	Lewiston, ID, USA	07 Mar 2004	--
Your pages on the SDA Pioneers were most valuable to me this week.	Florida, USA	02 Jul 2005	--

<p>I found your web site as I was searching in the Internet. It gave me great joy to discover the type of material you have available. Although there is a problem, I do not know English. This is a great limitation. Could it be possible to transcribe such blessed and beautiful material into Spanish? We urgently need to understand the truth of 1888 and its implications connected with the Three Angels Message.</p>	<p>Argentina</p>	<p>22 Jul 2005</p>	<p>--</p>

<p>This book gave me an insight in many things that are essential to understand Adventism and I am grateful for it. Thank you for your service.... I would like to order 60 <i>The Great Second Advent Movement</i> for Kenya and 10 for Austria.</p>	<p>Austria</p>	<p>01 Jan 2000</p>	<p>1913</p>
<p>The 2nd Advent book is tough reading but a ... delight. I've dog-eared every page on which I find a jewel and the book is starting to look like the dog chewed on it! Sadly, we have not only forgotten, but it's my experience we haven't learned it in the first place.</p>	<p>South Lebanon, Ohio</p>	<p>5/5/2000</p>	<p>1927</p>

<p>I have your CD and most of your <i>Lest We Forget</i> periodicals. I am very happy with the CD and spend many hours researching and printing off information for the church family.... I think the work you are doing is marvelous and wish you all the best in the future.</p>	<p>Australia</p>	<p>12 Sep 1997</p>	<p>1020</p>
<p>Please keep up your work. The Words of the Pioneers CD-ROM is an invaluable tool in my study.</p>	<p>Midlothian, VA, USA</p>	<p>24 Jul 1999</p>	<p>1010</p>
<p>I have appreciated the APL CD so much. Please contact me when you have a 3rd edition hot off the press. Thank you all so much for putting us in touch with the pioneers of the church. I have learned so much, and have a better understanding of some doctrines I personally had some problems understanding. Some of the pioneers have helped me a lot, just feel like I have studied with them. Sometimes between Sabbath School and church I introduce some of our pioneers and highlight some of their achievements.</p>	<p>Reedsville, PA, USA</p>	<p>13 Nov 2000</p>	<p>2031</p>
<p>Just a few lines of appreciation for what you folks have done with the Pioneer writers of the Advent Movement. I very much appreciate the work done in the CD-Rom. I find it invaluable in my research into topics which I present in sermons and studies which I give.</p>	<p>Fort St. John, British Columbia, Canada</p>	<p>29 Sep 2004</p>	<p>1847</p>
<p>Thank you very much for the good job you are doing. I am from Chile. I am a Ph D student in AIAS (Adventist International Institute of Advanced Studies) in the Philippines. Your material has been very, very, very useful in my studies. Without this CD room I would not have been able to research some topics related to my main area. The material that you have made available to every one around the world is a real blessing. Thank you very much again.</p>	<p>Philippines</p>	<p>15 Feb 2005</p>	<p>--</p>

...Thank you for your unceasing efforts in publishing the long forgotten materials written by our pioneers. It has been already years ago, that I got my APL-CD-ROM (1 <sup>st</sup> edition). I have mainly used it for researching, as I prefer to read printed editions, but without your work I would not have known of the existence of many books that were written.	Germany	6 Jan 2006	--
I would like to thank you for the work you and your staff have done in placing these books on CD. It is the pieces that were missing in my Christian armor! I hope I can express to you how they have helped! It gave me an example of true Godly reasoning power of a type that is seldom seen! And much light that has been buried from view.	Selma, OR, USA	4 Sep 2007	2413
I commend you on this project. It's of tremendous value to those of us who want a full contextual flavor of the thinking processes of our early pioneers. It is important (no, critical) to be able to measure current author's comments about past authors, against that original writer. You've put so much information in one place that the hours that I spend looking on-line for these resources, will be reduced significantly.	Sonora, CA, USA	23 Apr 2008	2472
I am convinced that this is vital for us to know the platform of the lost truths the pioneers were guided to find again--the faith once delivered to the saints--on which we are to stand. I pray for this work.	France	19 Mar 2009	--
I just received your announcement of the WOAP and want to both thank you for it and to express my appreciation for the work you have been doing. I don't comprehend how you have been able to produce this vast resource but while praising God for it I want to thank those who have worked so diligently to produce it. Thank you so very much for the wonderful work you are doing for us. Every SDA should be getting <i>Lest We Forget</i> . What a treasure!! Thanks again.	Stockton, CA, USA	22 Jul 1999	812
I have just finished reading the first seven volumes and as a relatively new Adventist (baptised in 1988 together with my wife), have thoroughly enjoyed reading them. So much that our pioneers did and went through for us and themselves. May God continue to bless the work that you and your team do for the benefit of us all.	New Zealand	21 Apr 2001	1819
Thank you for your missionary endeavors to get the words of our pioneers out to others.	Bakersfield, CA, USA	6 Jun 2001	763
How much I enjoy and appreciate your efforts to publish the issues regarding our SDA work and pioneers.... May God richly bless you all.	South Lancaster, MA, USA	26 Jul 2002	1385
I have appreciated your efforts to help our people retain <i>some</i> knowledge of early Adventism at a time when there seems to be definite plans to wipe out all the wonderful things done for us through the pioneer's response to the Holy Spirit.... God bless you all for your work....	Heflin, AL, USA	6 Jan 2004	971
